Description of Project: _____

APPLICANT'S NOTICE TO THE TOWN OF WHEATLAND OF UTILIZATION OF TRUSS TYPE CONSTRUCTION, PRE-ENGINEERED WOOD CONSTRUCTION AND/OR TIMBER CONSTRUCTION (19 NYCRR 1265.3).

This **RESIDENTIAL** project will utilize: truss type construction (TT), pre-engineered wood construction (PW), and/or timber construction (TC) in the following location(s); floor framing, including girders and beams (F), roof framing (R) and/or floor framing and roof framing (FR).

The undersigned represents and agrees as a condition to the issuance of this permit that said structure will be constructed in accordance with all ordinances of the Town of Wheatland and the requirements of any applicable fire, building, energy or other codes. That the plans and specifications annexed hereto are the plans and specifications related to the project described herein, that all work will be done in accordance with said application, plans, specifications and any conditions of the permit. That the structure will be used for no other purposes than those set forth in this application and that any municipal legal and/or engineering fees incurred as a result of this project will be reimbursed before a permit is issued or closed.
